Re: parking lot sealing & line painting

Dear Resident,

In August, Parvin Paving & Sealing will be doing parking lot sealing and line painting in your area. Please look at the schedule and map on the following page. This schedule is weather dependent.

Your vehicle(s) must be removed before 7:30 AM on the start date. Lots will be closed for 48 hours after work begins. Parking is available on Allenview Drive. If you are planning to be away, please be sure to move your vehicle prior to leaving or arrange for someone to have it moved. If your car is not removed before work begins, your car will be towed. Vehicles cannot be returned to their parking space until after the barricades are removed.

Please make sure your trash and recycling containers are stored properly after trash day on Tuesday and not left in the lot. The post office has been notified of the work to be done. Please be aware this will affect mail delivery. The mail carrier will not deliver to the mailboxes or pick up mail from the mailboxes if unable to pull up to them in the mail truck.

Thank you for your cooperation.

Sincerely,

Joann W. Davis
Administrative Manager

Encl. (1)
