SECURITY CHECK

With summertime in full gear, it is easy to forget the basics about home security. We are in and out, rushing from the pool, then home, to a party, then to a friends house. Below we have compiled some reminders to ensure your home and family are safe this summer!

- Lock your doors and windows as well as close your blinds at night. Something this simple can keep your valuables safe.
- Make sure your lantern or outdoor lights are lit. When an area is lit up intruders are less likely to lurk. If you see a lantern in the neighborhood out, please email the HOA and it will be replaced.
- If you are going to be on vacation, let a neighbor know. If you don't want to tell anyone, simply contact the post office to hold your mail. In most cases holding your mail is as simple as a click of a mouse.
- When you post that selfie from the beach people know you're away. Keep those vacation memories safe with you until you return home.
- Know your neighbors. Make eye contact and say hello; not only is this a crime deterrent, but you might make someone's day!

Since we are talking about security, the Board has heard that some Allenview residents have received letters in the mail directing them to various websites, forums and apps. Please know that our HOA does not endorse any websites or webpages and that you should always do your due diligence when providing any personal information.

CAN I GET A WOOT! WOOT! SHOUT OUT TIME!

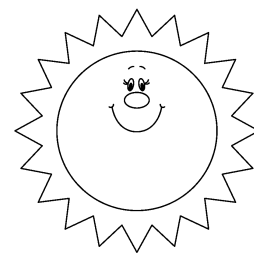

Did someone in the neighborhood WOW you? Is there a neighbor who always goes above and beyond to help you? Recognize them here in Allen Views!

Ok... We will start!!!

On behalf of the Allenview Board of Directors (as well as the rest of the community), we would like to give a shout out, raise a glass or give a high five to the Allenview Pool Committee! This spring the Pool Committee, comprised of Meg Kelly, John Burleson, Lori Caffarella, Roni Collier, and Trish Connolly has raised the bar! Not only did they overcome many obstacles at pool opening but they organized the purchase of umbrellas as well as regular and lounge chairs for all of us to enjoy. With the new “Swim at your own risk” policy, the group found neighbors to be pool monitors to keep the pool running smoothly. Once again, join me in a round of applause for Meg and her team for making pool season 2019 a success!

Rumor has it the Allenview Summer Kick Off Party was the place to be on June 1st! Thank you to Trish Connolly and all the volunteers who helped with the event! It was a remarkable turnout and fun was had by all. In fact, due to its roaring success, we are having another Allenview Community Picnic at the pool on August 24th. The AHOA will be serving burgers and dogs with all the fixings provided. Please bring a side dish or dessert to share along with your own beverages and lawn chair since there may not be enough at the pool for everyone. Food will begin to be served at noon (12:00 pm).

Share your shout out with us by sending a few sentences about the person you wish to recognize. Please send these in an email to boardmembers@allenview.org as soon as possible to ensure they are included in the Fall 2019 issue of the Allen Views.

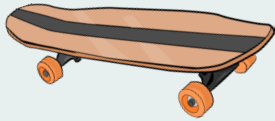

TENNIS COURTS

Our community tennis courts are continually used for things other than tennis - this has caused significant and costly damage. Due to this, a combination lock has been placed on the door to the tennis courts. Residents will need to go to the HOA website, click "Tennis" and complete the "Request for Allenview Tennis Court Combination". This will need to be done in order to receive the combination and gain access to the courts. Signs have been posted. Any person seen using the courts in any way other than intended will be fined.

TAKE A CLOSER LOOK!

Pedestrians - Kids are outside playing on their skateboards, bikes and scooters. Residents are out walking their dogs. Be cognizant of your surrounding, look before you turn.

PRESIDENT'S MESSAGE

Fellow Allenview Residents,

I would like to take this time to personally thank everyone for coming out to the community day we had at the beginning of June and for the numerous covered dishes shared by our neighbors. It was one of the most interactive gatherings I have seen since moving here. Hopefully everyone was able to meet new people within our wonderful community.

With that said, I would encourage all of you to get to know your neighbors better and, if something is bothering you, to talk to them personally. You would be surprised at how willing people are to talk things through. I understand not everyone is approachable, but I find that there are many more in this community that would appreciate a simple conversation rather than a letter from the Board on nominal or temporary issues. I'm simply asking that we try to be more courteous, kind and understanding to our neighbors, and to give people the benefit of the doubt.

As for the Maintenance committee, we have many projects well underway. More will begin once contractors work through their backlogs after the wet weather Mother Nature brought us. If work is being done in your area, you should receive notification prior to the work commencing. Please comply with any requests as we want the work finished as quickly as possible. As a Board we continue to assess and prioritize the needs of the community within the means of our annual budget. I'm hoping you are all seeing the improvements and continue to do so as we push future initiatives.

Thanks for all that you do to keep our community a safe and desirable place to live and raise families.

DELICIOUS DISHES

This bold and flavorful Grilled Cola Chicken recipe below, from www.letsdishrecipes.com, is sure to be a new family favorite. The amazing BBQ sauce would also be great on all kinds of grilled meats.

The necessary ingredients are as follows:

| 1) 1 tbsp. olive oil | 8) 1 tbs. brown sugar |
| 2) 1 clove of garlic, minced | 9) 2 tsp. paprika |
| 3) 1 cup cola | 10) 1/2 tsp. salt |
| 4) 1/3 cup ketchup | 11) 1/4 tsp. pepper |
| 5) 1 tbs. apple cider vinegar | 12) 1/2 tsp. ground cumin |
| 6) 1 tsp. Worcestershire sauce | 13) 6 boneless, skinless chicken breast halves |
| 7) 1.5 tsp. chili powder | |

Directions:

- 1) Preheat the grill for medium-high heat
- 2) In a medium saucepan, heat the oil over medium heat, add garlic and sauté for 1-2 minutes. Stir in ingredients 3 - 7.
- 3) Bring to a boil, then reduce heat and simmer for 15 minutes (until sauce reduces and thickens). Remove 6 tbs. of sauce and set aside.
- 4) In a small bowl, combine ingredients 8 - 12. Rub the spice mixture over the chicken, place on grill and baste with 3 tbs. of the reserved sauce.
